

Ellis Furniture

Ellis Furniture has been supplying high quality stylish furniture to our discerning clients since 1965. Our hand crafted furniture adorns not only the homes of many satisfied customers but also large corporate offices and game parks. If you cannot find your style in our extensive range we are able to make furniture to your own specifications or design. Our competitive prices along with high quality finishes and exclusive designs as well as the ability to make bespoke furniture should ensure that your needs will be met by our excellent sales team
