STEINER

By land. By sea. By air. Online

Steiner is an innovative spa company dedicated to promoting beauty and wellness throughout the world with one unified vision: Inner peace. Outer beauty.

The largest and most renowned company that operates spas at sea. Steiner, who has been synonymous with quality spa and salon services at sea for over 50 years, employs over 2000 spa professionals every year to travel while they work. We hire massage and beauty therapists, fitness instructors, acupuncturists, hairdressers, nail technicians and receptionists for our spas on board luxury cruise ships. These ships sail all over the world.

Steiner Leisure Limited in South Africa is one of the global satellite training academies teaching qualified professionals the necessary skills to insure only the highest standards are met once they work on board luxury cruise lines.

Steiner. Established in 1901. Recreated Daily.
