

Kids Emporium

KIDS EMPORIUM occupies a unique position in the South African baby and children's industry by providing the world's premier shopping experience for expectant and new parents. We appeal to parents who want to surround their baby or child with style, elegance and comfort. Whether maternity wear, travel systems or children's furniture, and giving customers exemplary service, all under one roof. The energy of our stores comes across in the unexpected, perhaps the ideal gift wrapping, knowledge of our products or simply the transformation of shopping from chore or past time to experience

Physical Address:

6-8 High Street, Bellville
